Dear Dr. Vencill:

The College of Pharmacy hereby requests a new course prefix (PMCY). The College currently utilizes two prefixes (PHRM for professional and graduate courses, PHAR for nontraditional courses). We offer several of our courses to students outside the College of Pharmacy, and for accounting purposes, we would like a different course prefix to cross list these courses and identify the non-pharmacy students. If possible, we would like for the Curriculum Committee to consider this request so that we can use the new prefix to meet the January 19 CAPA deadlines.

Thank you for your attention to this matter.

Sincerely,

George E. Francisco
Associate Dean
