The committee tabled a proposal to change the definition of E suffix courses from courses in which more than 50% is delivered through distance learning to courses in which more than 95% is delivered through distance learning. The committee requested information about the currently approved courses with an E suffix. The committee wants to know the number of these courses that are delivered more than 50% online and the number that are delivered more than 95% online.

The meeting adjourned at 3:30 p.m.
