Reactivation and/or Termination or Reinstatement  
Proposal for a new Center for Gambling Research (CGR)  
Proposal for a new Center for Molecular Medicine  
Proposal to offer an Undergraduate Certificate in Legal Studies  
Proposal to terminate the major in Veterinary Pathology (M.S.)  
Proposal to offer a major in Linguistics (M.A. Non-Thesis Option)  
Proposal to offer the existing major in Educational Psychology with Area of Emphasis in Gifted  
Education (M.Ed.) as an online degree program  
Proposal to offer the existing major in Educational Psychology with Area of Emphasis in Gifted  
Education (Ed.S.) as an online degree program  
Proposal for a new major in Narrative Media Writing (M.F.A.)  
Proposal for a new College of Engineering

The committee approved a request from the Warnell School of Forestry and Natural Resources to change the Entrance Requirements for the majors in Forestry (B.S.F.R.), Fisheries and Wildlife (B.S.F.R.), Natural Resource Recreation and Tourism (B.S.F.R.), and Water and Soil Resources (B.S.F.R.)

The request to allow the Department of Management Information Systems to specify a minimum grade of “C” (2.0) for prerequisite courses for the following courses has been approved and is effective fall semester 2012:

Course: MIST 4600, Computer Programming in Business  
Prerequisite: MIST 4610 with minimum “C” (2.0)

Course: MIST 4630, Network-Based Application Development  
Prerequisite: MIST 4600 with minimum “C” (2.0)

Course: MIST 4620, Systems Analysis and Design  
Prerequisite: MIST 4630 and MIST 5740 with minimum “C” (2.0)

The committee tabled a request to offer a new Graduate Certificate in Quantitative Methods in Family Science (QMFS) requesting that there be communication with the Department of Statistics before the proposal is considered.

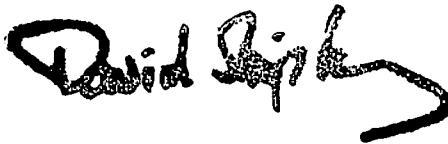

The committee denied a request to revise the Environmental Literacy Requirement. The committee would like more information on how the new requirement would be implemented. They also requested additional information on what peer and aspirational institutions require for environmental literacy. The committee recommended that a larger Environmental Literacy subcommittee be formed to discuss changes to the environmental literacy requirement and how the changes would be implemented.
