RE: Proposal to change high-demand selection criteria for the Athletic Training major on the bulletin, effective Fall of 2012.

Currently the **Entrance Requirements** section of this major reads:

High-Demand Major-Selection Criteria

- UGA Core Areas I-IV (10%)
- UGA Core Area VI (60%)
- Grades in KINS 2100, KINS 2100L, and KINS 2010 (10%)
- Essay and Interview (20%)

We propose the following changes:

High Demand Selection Criteria:

UGA Core Areas I-~~III~~IV (10%)

- UGA Core Area VI (excluding KINS KINS 2100 and KINS 2100L) (60%)
- Grades in KINS 2100, KINS 2100L, and ~~KINS 2010~~ (10%)
- Essay and Interview (20%)

The purpose of this change is to increase the criteria available for evaluating the student's ability to succeed in the major.

Thank you.

Hi Krista and Dr. Cureton,

I'm afraid I neglected to include a proposal for changes to the AT major high demand selection criteria. It is attached. If you wouldn't mind signing this electronically and forwarding it to Brooke, I would appreciate it.

The deadline is today.

Thank you!

Susan
