RE: New Course Prefixes

Dear Dr. Vencill:

The College of Public Health requests permission to establish the following new course prefix:

<u>Prefix</u>	<u>Prefix Title</u>
HPAM	Health Policy & Management

The contact person for these courses will be Ms. Heather McEachern and her telephone number is 706-542-3187. The HPAM prefix will be housed in the Department of Health Policy and Management and most courses currently under HADM (Department of Health Administration, Biostatistics, and Epidemiology) will be changed to the HPAM prefix to follow the newly separated dept. Our previous prefixes BIOS and EPID will move to the newly formed Department of Epidemiology and Biostatistics.

Please contact me if any additional information is needed.

Sincerely,

Phillip L. Williams  
Dean
