Subject: Change in Landscape Management Area of Emphasis

The Undergraduate Curriculum Committee of the Horticulture Department has voted to change the name of the Landscape Management Area of Emphasis to the Landscape Contracting Area of Emphasis. As detailed on the attached copy of the UGA Bulletin, the Committee also voted to drop HORT 3450 from the Landscape Management Area of Emphasis and to add LAND 2210, 2320, 3330, and 4710. We met with the Undergraduate Coordinator of the School of Environmental Design, and he stated that SED will allow our students to take the LAND classes.

Please make these aforementioned changed to the UGA Bulletin.

Thank you.
