Re: Requesting Pre-Fixes for Degree Programs

We would like to request the following pre-fixes for the new Faculty of Engineering Degree programs that will be starting in Fall, 2012 and Fall, 2013. As well we would like to request a pre-fix for Engineering Education. We have a significant number of faculty who are doing research in this area and we believe that we also have an interest in developing courses in this area as well.

We would like to request the following pre-fixes:

|                                      |      |
|--------------------------------------|------|
| Civil Engineering                    | CVLE |
| Electrical & Electronics Engineering | ELEE |
| Mechanical Engineering               | MCHE |
| Engineering Education                | ENED |
