Dear Dr. Shipley,

On behalf of the Center for Integrative Conservation Research (CICR), we are requesting a new course prefix for the core courses we will create in support of the Integrative Conservation Ph.D.

We request that the prefix be ICON and housed in the Department of Anthropology, although the four participating units will be able to load the ICON prefix. The participating units are: Odum School of Ecology, Warnell School of Forestry & Natural Resources, Department of Anthropology and Department of Geography (these last two located in the Franklin College of Arts & Sciences).

Sincerely,

Ted Gragson, Head
Department of Anthropology
