Dear Dr. Marshall:

As per the directions from Ms. Fiona Liken, Office of Curriculum Systems, this letter is a formal request to remove the “*High Demand Major*” status from the Health and Physical Education major in the Department of Kinesiology. Entrance requirements will still be in effect (e.g., GPA & pre-requisite coursework) but there will no longer be an application process required. We would like this information to appear in the next bulletin.

It is my understanding that your office will now proceed with the request. However, should you need any more information from me, please let me know and you will have it immediately.

Sincerely,

Bryan McCullick
Program Coordinator, Health and Physical Education Major
