Subject: Degree Major Name Change and Degree Termination Request

In order to consolidate the three majors in the undergraduate A.B. program in the Department of Classics, the faculty propose that one of our majors (Latin) be renamed as Classical Languages, with three areas of emphasis: Greek, Latin, and Greek and Latin. If approved, this will be accompanied by a request to terminate our Greek major (see below). The faculty also propose that the third major, Classical Culture, be re-defined to include an area of emphasis in Classical Archaeology.

The proposed changes better reflect national norms for the preparation of students for post-graduate education and careers in Classics. They will also bring our undergraduate programs into close alignment with our graduate programs of study.

Current

Degree	Major
A.B.	Classical Culture
A.B.	Greek
A.B.	Latin

Proposed

Degree	Major	Areas of Emphasis
A.B.	Classical Culture	Classical Archaeology
A.B.	Classical Languages	Greek or Latin or Greek and Latin

Your careful review and approval of these proposals is most appreciated.

Request to Terminate Undergraduate Degree Program

1. Institution: The University of Georgia
2. School/College: Franklin College of Arts and Sciences
3. Department/Division: Classics
4. Program Degree: Bachelor of Arts (A.B.)
Major: Greek
5. Deactivation or Termination X
6. Last date students will be admitted to this program: Fall 2012
7. Last date students will graduate from this program: Summer 2016
8. Abstract of terminated program:

The Greek major is being reorganized as an area of emphasis within the proposed Classical Languages major. As no courses will be added or deleted, students will experience no deleterious effect as a result of this action. As more students pursue interdisciplinary study in Classics, a Classical Languages major will give them more flexibility in their coursework and will conform more closely to national trends.

Department Head Dean of School/College Dean of Graduate School

II. Conditions for Deactivating or Terminating Programs

1. The proposal to change the name of the Latin major to Classical Languages, offering emphases in Greek, Latin, or Greek and Latin languages and literature, received support from department faculty.
2. Since most of our Greek majors are double or even triple majors within the Department, this change will actually reflect more accurately the profile of these students.
3. As no existing courses will be dropped, students currently enrolled in this major will easily be able to complete their degree requirements.
4. There will be no impact on the personal and professional lives of the faculty involved.
5. The merger of our three undergraduate majors into two will better reflect the national norms with regard to the preparation of individuals for post-graduate education and for careers in Classics.
6. There are no plans at present for subsequent reactivation or reinstatement of this terminated program.
