Graduate Student Representative – Ms. Amrita Veliyath

Dear Colleagues:

The attached proposal to terminate the major in Physiology and Pharmacology under the Master of Science degree (M.S.) will be an agenda item for the December 5, 2008, Full University Curriculum Committee meeting.

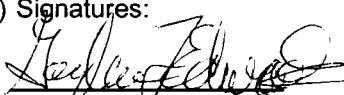

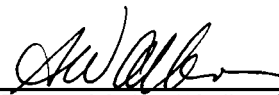

Sincerely,

David E. Shipley, Chair
University Curriculum Committee

cc: Dr. Arnett C. Mace, Jr.
Professor Jere W. Morehead

**OUTLINE FOR DEACTIVATION OR TERMINATION
OF A GRADUATE OR UNDERGRADUATE DEGREE PROGRAM**

I. Basic Information

1.) Institution:	The University of Georgia	Date: 10/24/2008
2.) School/College:	College of Veterinary Medicine	
3.) Department/Division:	Physiology and Pharmacology	
4.) Program Degree:	Master of Science	
Majors:	a. Physiology b. Pharmacology	
5.) Deactivation or Termination:	Termination	
6.) Last date student will be admitted to the program:	N/A	
7.) Last date student will graduate from this program:	Aug-08	
8.) Abstract of the terminated program:	<p>The Master of Science programs in Physiology and Pharmacology are being replaced by the Master of Science in Veterinary and Biomedical Sciences. The MS in Veterinary and Biomedical Sciences is a College-wide program and will hopefully encourage more interdisciplinary studies. No students will be admitted to the MS in Physiology or Pharmacology and all students in the MS in Physiology and Pharmacology have completed their program as of August 2008. All faculty involved with the MS in Pharmacology and Physiology will be involved in the MS in Veterinary and Biomedical Sciences, thus programs dependent on the MS degree in the Department of Physiology and Pharmacology will not be weakened. There are not plans to reactivate the program.</p>	
9.) Signatures:		
		
Department Head	Dean of School/College	Dean of Graduate School
