**RE:** Terminate the Undergraduate Minor in Textile Science

---

As the accompanying statement indicates, it has become necessary to terminate the minor in Textile Science. All students who declare the minor prior to the suspension date will be permitted to enroll in TXMI courses until their minor program of study is completed.

The Department of Textiles, Merchandising, and Interiors would be happy to reactivate the minor if additional resources become available in the future. This decision has no adverse effect on faculty or staff since all teaching faculty will continue to support the undergraduate major.

Dr. Laura Jolly  
Dean  
College of Family and Consumer Sciences  
UGA

Dear Dean Jolly,

The faculty of the Department of Textiles, Merchandising and Interiors voted to terminate the undergraduate minor in Textile Science. This was based on continued low enrollment in the minor.

Year	# of students in minor
2009	2
2008	3
2007	1

We will continue to serve the needs of our existing two students in the minor, one is expected to graduate Fall 2009 and the other Fall 2010.

The department plans to accept no more students in the minor beginning with summer 2009. This termination of the minor will not adversely impact the faculty involved.

Sincerely,

  
Patricia Hunt-Hurst, Ph.D.  
Department Head
