Brian Glaser, College of Education

David Spooner, College of Environment and Design

Patricia Hunt-Hurst, College of Family and Consumer Sciences

William Vencill, Ex-Officio

The General Education Subcommittee of the University Curriculum Committee met on May 1, 2019, at 2:00 p.m. in 315 New College.

The subcommittee approved the request to include the following course in the list of courses that satisfy the General Education Core Curriculum:

Core Area II, Life Sciences

MARS 1021E, Biology of the Marine Environment

The Board of Regents of the University System of Georgia recommended that additional Statistics courses be included in Area I, Foundation Courses, of the General Education Core Curriculum. Based on this recommendation, the subcommittee considered and approved the following course to be included in the list of courses that satisfy the General Education Core Curriculum:

Core Area I, Foundation Courses

STAT 2000, Introductory Statistics

The subcommittee discussed the updated draft General Education Plan, which was revised following the November 5, 2018, December 11, 2018, and February 8, 2019, subcommittee meetings to incorporate revisions by members of the subcommittee. The subcommittee approved this final draft of the proposal.

The meeting adjourned at 3:00 p.m.
