

Environmental Awareness Subcommittee – 2019-2020

Subcommittee Members:

Dr. Rodney Mauricio, Chair, College of Arts and Sciences
Dr. Elizabeth Little, College of Agricultural and Environmental Sciences
Dr. Sudhagar Mani, College of Engineering, absent
Dr. Anne Marie Zimeri, College of Public Health

The Environmental Awareness Subcommittee of the University Curriculum Committee met on August 20, 2019, at 4:00 p.m. in room 115 Holmes-Hunter.

The subcommittee approved the requests for the following courses to be included in the list of courses that satisfy the Environmental Awareness requirement:

EHSC 4150, Solid and Hazardous Waste Management
EHSC 4610, Water Pollution and Human Health

The subcommittee denied the requests for the following courses to be included in the list of courses to satisfy the Environmental Awareness requirement due to the lack of evidence of interaction between humans and the environment:

EHSC 2100, Fundamentals of Physiology for Environmental Health Scientists
EHSC 4350-4350L, Environmental Chemistry
EHSC 4700, Genetic Applications in Environmental Health Science

The subcommittee has requested that these courses be revised to better define what Environmental Health is and/or details about toxicants and the environment.

The meeting adjourned at 4:45 p.m.

Rodney Mauricio, Chair
Environmental Awareness Subcommittee
