

RAC Agenda

DATE: April 18

TIME: 3:00 – 4:30

LOCATION: Miller Learning Center room 214

1. Graduation dates, GA screens and the Commencement Program-
 - a. University Council approved the policy on defining a term when a student may graduate and listing students in Commencement Programs on 2/13/1991.

Correct tentative graduation dates on all student records are necessary for the graduation certification process as well as Financial Aid and loan repayment processing.
 - b. GA Term in DegreeWorks fix- report for all advisors based on hours attempted. Advisors can then verify if the student has the correct GA term, then adjust appropriately.
 - c. Summer anticipated deadline: Tuesday, July 3, 2012
2. Rank listings
3. Registrar's Office Contacts information has been removed from the "Contact us" section of the Registrar's website. Please bookmark this link for internal purposes only:

4. Re-admission to UGA will be processed through the Office of the Registrar effective April 24.
5. Departmental deletion of courses from student records. This procedure should only be pursued in the event of a University error.
 - a. Affects HOPE if they drop below 15 hours
 - b. Be cautious in recommending a drop or deletion vs. withdrawal. Students must weigh the WP/WF grade against the possible cost of a drop or deletion.
6. DegreeWorks update
 - a. Cross listed course fixes are complete
 - b. Timeline for removal of DARS access
 - c. Duplicate credit and repeat logic is almost complete
 - d. Rollout update
